

# Gordon Donnell's Coin Meeting

Feb 28th, 2010 Vallejo Naval Museum

Several Fremont Coin Club (FCC) members & club officers attended Gordon Donnell's special coin meeting held in Vallejo. Over 50 people attended from all over the Bay Area. (A virtual Who's Who in Bay Area Coin Clubs). Gordon was truly a roving ambassador for the hobby. Stories told about Gordon were vast and insightful. Fremont Coin Club certainly appreciates all of his visits, volunteer work, and presentations to our club over the years. Special thanks, to Michael Turrini, Sally Johnson and many others for putting their time into this lovely event. Thanks also to FCC members attending this event. Here are some pictures in tribute to Gordon's life and his passion for numismatics.
