Welcome to 2019's first issue of The Double Eagle! Fremont Coin Club's Christmas party in December 2018 was well-attended by our members and guests, including several cub scouts. Everyone enjoyed cake from Pete's Bakery in Alum Rock. Thanks to Santa and his helpers for the donations towards the kids' stockings.

FCC's officers and board members for 2019 were sworn in at the Installation dinner on January 6th at the Spin A Yarn restaurant.

The club has openings on the Board and for club roles such as draw ticket sales. To learn more about available positions and to volunteer, contact a current officer or board member.

The Northern California Numismatic Association will hold its Sixth Annual Numismatic Seminar in Vellejo on September 14, 2019. The theme is Transportation Numismatics, in which four hobbyists and professionals will present numismatics topics related to transportation. The seminar will include a moderated panel discussion and Q & A session with participation from audience members. Admission is free, but patrons who are able to financially support the Seminar are welcome. To learn more, visit [www.solanocoinclub.com](http://www.solanocoinclub.com).
